Bill Gates is building something that we call the Human Implantable Quantum Dot Microneedle Vaccination Delivery System, and it is composed of multiple things. I want to draw your attention to one component, the quantum dot microneedles that will deliver the vaccines, and a very, very unique biochemical

that makes it all work. If you're standing up while reading this, you might want to sit down. Today we bring you 'near infrared bioluminescence enzyme luciferase' which is the chemical that will make the quantum dot vaccination readable through a special mobile device app. That's right, the enzyme that will light up Bill Gates Human Implantable Quantum Dot Microneedle Vaccination Delivery System is called Luciferase, that's what makes the vaccination readable long after the victim has been injected. Luciferase.

**Bill Gates is building something that we call the Human Implantable Quantum Dot Microneedle Vaccination Delivery System, and it needs an enzyme called Luciferase in order to make it work. Remove the word 'human' and it becomes 666.**

**With each passing day**, it becomes clearer and plainer to those of us who are bible believers that we are living in a very unique time period. So unique, in fact, that we just might be witnessing the **kingdom of Antichrist** and the **Mark of the Beast system** being assembled before our very eyes. Please note that I use the word 'might' out of an overabundance of caution when writing articles like these, but when I am alone with my thoughts I am *completely* convinced that is *exactly* where we are. 100%. The wise shall understand. Ever hear of Luciferase?

**"And he said, Go thy way, Daniel: for the words *are* closed up and sealed till the time of the end. Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand."** Daniel 12:9,10 (KJB)

**Over the past few weeks**, we have shown you a massive project by **Bill Gates** that is so all-encompassing that it quite nearly beggars belief. That expression is an Old English term which means something that is so unbelievable that it nearly cannot be believed. The Nazi concentration camps **in the Holocaust** are a great example of that. When the films of what went on there came to light it was *so* astonishing that it was hard to comprehend such a thing could happen.

But happen it did. And what is happening right now, the Antichrist system, is a similarly hard thing to fathom, but here we are.

**Bill Gates is building** something that we call the Human Implantable Quantum Dot Microneedle Vaccination Delivery System, and it is composed of multiple things. At its center we have the **COVID-19 vaccination** that he wants to give every human on earth, there will be quantum dot microneedles, a digital identification mark **from ID2020**, and a human implantable device for buying and selling cryptocurrency with a **patent number of #060606**. The digital ID will come in the form of something called an **Immunity Passport**. All of these things, and all being funded by one man, Bill Gates, represents in total at the very least a stunning forerunner to the Mark of the Beast world system. That's at the very least estimation, taken to its logical end, it very well could be the actual Mark of the Beast system.
